There is a proposal to significantly change the Los Feliz Dash route, eliminating Hillhurst and Los Feliz Blvd altogether. There are public hearings scheduled to address all the DASH proposals, the closest hearing to Los Feliz is next Tuesday, August 30, from 6-7 PM at the Hollywood Recreation Center, 1122 Cole Ave, in Hollywood. We will try to have a rep from the public safety/transportation committee at the meeting, but if anyone else on the board is interested, please see the information below and feel free to attend.

Subject: New DASH line

Hi Chris,

Has the LFBID has seen the proposal for the new DASH line?

From my perspective as one who lives north of LF boulevard, it is a mistake to eliminate Hillhurst north of Franklin from the route. A resident of District A would have to walk to Franklin Avenue to get to a DASH line to get to the Vermont/Sunset Station.

Further, the vitality of the businesses on Hillhurst are primary to the economic well-being of Los Feliz. Many major destinations are located on that stretch of Hillhurst or at the intersection with Los Feliz Boulevard.

There are a number of public hearings pending and unfortunately all of them occur before our next LFNC meeting so our board can't attend any with an official position. If I owned a business located on Hillhurst, I would want to weigh in on this plan.

Here's a link to the hearing dates and locations. You might want to share this information with your membership.

(Note: this email is not official LFNC correspondence.  
I'm a District A representative and business owner in Los Feliz not in the BID)
